IN REPLY REFER TO:

JMRTC-JS

1 September 1988

MEMORANDUM FOR: JMRTC Reservists

SUBJECT: 1988-1989 Training Program

1. Welcome to the 1988-1989 training year. The Joint Staff has put together an excellent program to enhance your readiness for mobilization. Our joint training program will begin with an administrative assembly on 12 September 1988. To satisfy requirements of the military services, you are requested to wear your uniform to this drill. The uniform is class "B" (short-sleeved shirt) for Army and Air Force members, summer whites for Navy members, and summer service "C" for Marines.
2. Our training handbook has been revised to more accurately describe the military reserve program. Much of the information contained in the handbook is new or changed. We will also be distributing a sterile, unclassified extract. Please let us know how we can make the handbook more useful to you.
3. Your PX letter is enclosed. Beginning 1 October 1988, the Army and Air Force Exchanges may require that all customers possess ID Cards. Please complete and return the enclosed "Request for Family Member ID Card." The Military Support Section will send you the documents necessary to obtain ID cards for eligible members of your family. Even if you do not wish to have ID cards issued, please complete the form--we need to keep this information on file so that your family will be eligible for benefits if you are mobilized.
4. We have also enclosed a copy of our annual report for the 1987-1988 training year.

A handwritten signature in black ink, reading "Anthony Porcaro".
